

What is Non-Binary Gender?

nonbinary.ch/en

A Definition:

If a person does not identify with the categories “woman” or “man” they are called non-binary gender or genderqueer.

General Terms:

non-binary gender or *genderqueer* [historically older synonym]
Short form → enby

Specific Labels:

agender, neutrois, genderfree, bigender, pangender, genderfluid, ...

Trans or not?

Whether or not you identify as such – you’re part of the trans community either way!

Swiss Non-Binary Communities:

WE EXIST: we-exist.ch | Romanescos: romanescos.ch [German-speaking CH]
Ekivock: ekivock.ch [French-speaking CH]

Please Keep these Two Guidelines in Mind When we Meet:

Ask what our pronouns are!
Don’t make assumptions about how non-binary people should look!
